3. There were two Petitioner before the Board. Claire Crittenton from Popular beach brought forth to be reviewed new by-laws for fences in the Town of Romulus. She took time to research the Seneca County rules, State and Twon rules. She asks that the Planning Board look them over and review them and try and update our old town by-laws. The second Petitioner was Brittanie Russell asking for help either in the form of a change of speed limit, or Child at Play sign. An in-depth discussion followed, and the Highway superintendent was able to state that we could put in speed bumps. Our attorney wasn't sure that it was a good idea. Some more research will be done to try and resolve this problem. The residents just wanted to make sure that the town was aware of this problem.
